

Memory Tree

A dedication to someone special

Our beautiful copper Memory Tree sits in a quiet area in the centre of our attractive Hospice gardens.

The elegant sculpture was made by a local artisan and is popular with many families who wish to make a dedication to a loved one. We engrave a copper leaf or flower with your loved one's name and a special message, and either send it to you at home, or hang it on the Memory Tree for as long as you wish. You can visit the Memory Tree whenever you choose. According to your wishes, we will return your leaf or flower to you in a special presentation box.
